Transportation Form

2017-2018

School Year

Purpose

A Transportation Policy has been developed to ensure all students are kept safe when they are being transported to and from school to Bright Smiles Daycare. The purpose of this policy is to explain and clarify procedures, as well as parent/guardian and the child's responsibilities involved with the transportation service.

Transportation Procedures

1. Bright Smiles Daycare provides transportation to families who are clients of Bright Smiles Daycare.
2. The transportation provided is fee based and is separate from monthly childcare tuition fees.
3. Bright Smiles Daycare's transportation is sub contracted through Endurance Learning, LLC.

Rules for Students

Safety in the car/van begins with the student. Certain basic rules of conduct are necessary to assure a safe ride in the car/van. Please read the following rules with your son/daughter. The cooperation of everyone in the following these simple rules will make the entire transportation experience a pleasant and safe ride for all.

1. Students must respect and obey the driver at all times. They are expected to sit appropriately in their seats, secured by their seat belts. They must also respect themselves and each other.
2. Eating and drinking is not allowed during times of transport.
3. All contents of your backpack remain inside during the ride.
4. Keep your hands inside the car/van at all times.
5. Parents/Guardians are responsible for any damage incurred by their child.

Responsibilities of Parents

Parents and Guardians are an important part of the smooth operation of our transportation service. You can help promote and maintain safety in many different ways. These are just a few:

1. Go over rules and responsibilities of riding in the car/van with your child.
2. Be sure your child knows the rules and understand the consequences of breaking them.
3. Please contact Rami Brown as soon as possible if your child is out sick and will not require transportation services.
